

## **Miss Moss Makeup – Terms and Conditions**

- i. Cancellations up to 90 days prior to your wedding day will result in loss of holding deposit. The reason being is that most brides book their makeup and hair 3-6 months prior to their wedding day, so a cancellation after this time makes it hard to fill on short notice and means other clients have missed out.
- ii. Early morning fee applies for bookings before 6am
- iii. No refunds on makeup and/or hair trial after service has been performed
- iv. Payment via EFT is required 5 days before wedding (to allow clearance) or by cash on the day.
- v. Force majeure- allows Miss Moss Makeup to suspend or terminate the performance of its obligations when certain circumstances beyond their control arise, making performance inadvisable, commercially impracticable, illegal, or impossible.
- vi. No fee applied for being glamorous!
